## DISTRICT UPDATE

As District Leaders, we want to express our gratefulness to you for your prayers and interest in the Timeline of Resolution we have been working through in 2018. As we conclude this year, we are prepared to present to you information that will help move our process forward and enter into the work we committed to doing in 2019. We are calling this work District Reimagined. Within the next week you should be receiving an email through your church's email group with a number of attachments for you to read that will explain what we mean by District Reimagined. Also included will be an updated Timeline of Resolution to guide our work in 2019.

There are several District-Wide Meetings and individual Congregational Meetings that we are scheduling to help communicate the idea for "District-Reimagined" and to provide a place for your congregation and Leadership Teams to discuss it. These upcoming dates should be listed in your bulletin and announced this morning. They will also be included in the updated Timeline of Resolution that you will be receiving this week.

Please continue to keep this process in your prayers!
