DISTRICT GOALS FOR 2025

Celebrate.....our Success (September-December 2025)

If we Cultivate our Growth, then we have more opportunities or awareness of how to Contribute our Gifts. Now we want to Celebrate our Successes by telling the stories of how God opened doors for us to do that.

- How did you experience growth in your life this week?
- How did God use you (your gifts) this past week?
- What did you see this past week that only God could have done?
